You are a team player that displays initiative, sound judgment, flexibility and dependability?

If so, look no further and join our team!

Starting Date: Immediately
Benefits: Very competitive salary and generous benefits
Schedule: Rotation shifts (8 hours) 24/7
Status: Unionized position
Location: Port of Montreal

Montreal Gateway Terminals Partnership is strategically located at the gateway to the vast and vibrant North American container shipping markets. Operating year round we are efficiently serviced by both Canadian Pacific and Canadian National Railways which have direct links to major American railways. This strategic location is also connected to a network of highways leading directly to markets in Quebec, Ontario, Western Canada and the United States.

Montreal Gateway Terminals Partnership is made up of passionate people. Their talent and engagement are two of our greatest assets.

If you are seeking employment in the challenging world of stevedoring, *Montreal Gateway Terminals Partnership* offers the latest in operational data systems, a safe and secure work environment and a team concept where your abilities and attributes will be welcomed.

In this role, you will be expected to:

- Plan and coordinate terminal operations (Vessel & Rail – loading / discharge).
- Maintain productivity through efficient utilization of manpower, equipment and storage areas.
- Supervise your team outdoor as well.
- Ensure that health & safety, environmental and security practices are strictly adhered to.
- Propose areas for quality improvement and productivity.
- Contribute to improve the customer service quality.

To Succeed, You Will Need:

- Bachelor's degree with a focus in Logistics/Transportation or any other relevant discipline.
- Minimum of five years' experience in logistics, transportation or shipping operations.

- Minimum of 3 years in management of unionized employees.
- Strong organizational abilities and ability to prioritize workload.
- Ability to work effectively under pressure in a fast paced environment with tight deadlines.
- Ability to take independent decisions with a high degree of responsibility.
- Excellent communication skills.
- Positive attitude, highly developed leadership.
- Ability to work outdoors and on various shifts to oversee operations.
- Excellent knowledge of standard business software's.
- Bilingualism, both oral and written (French and English) – job related.

Piqued Your Interest?

Send your resume as soon as possible and if you are among the most suitable for the position, we will be in touch with you shortly to discuss this role in greater detail.
