**CARGOM**  
LOGISTIC AND TRANSPORTATION  
METROPOLITAN CLUSTER OF MONTRÉAL

**OUR MISSION** at CargoM is to unite, around common objectives and concerted actions, all Greater Montreal freight logistics and transport stakeholders whose activities promote the region as an industry hub, so that we may increase our cluster's cohesiveness, competitiveness, growth, and reach.

# SIX WORKING GROUPS UP AND RUNNING!

**WORKING GROUP 1**  
**Logistics and Transport Development Opportunities**

To equip our cluster with tools and measures, to increase our competitive edge, and to enhance our contribution to the economy.

**WORKING GROUP 2**  
**Communication and Outreach**

To raise awareness of the economic spin-offs generated by our industry and further communication with all stakeholders, both at home and abroad.

**WORKING GROUP 3**  
**Road access and fluidity in road transport**

To promote the development and implementation of projects aimed at optimizing logistics operations, and improving road access and the flow of goods by road transport.

**OUR VISION** over a 10-year horizon is to establish Greater Montreal as a renowned intermodal hub that is highly sought-after for its effectiveness in bolstering the competitiveness of its business partners and the economic development of Greater Montreal and Quebec as a whole.

**WORKING GROUP 4**  
**Best Practices and Technology**

To adopt and integrate industry best practices and cutting-edge technology to increase our competitiveness while adhering to sustainable development principles.

**WORKING GROUP 5**  
**Regulations**

To harmonize and simplify the regulations such that they increase the competitive edge of freight logistics and transport.

**WORKING GROUP 6**  
**Human Resources / Workforce**

To propose solutions to existing and imminent labour issues.
