WHY JOIN CARGOM?

To be part of the Greater Montreal logistics and freight transport community, which includes:

- > Air transport
- > Rail transport
- > Road transport
- > Logistics agents and freight forwarders
- > Associations and sectoral committees
- > Exporters and importers
- > Teaching and research institutions

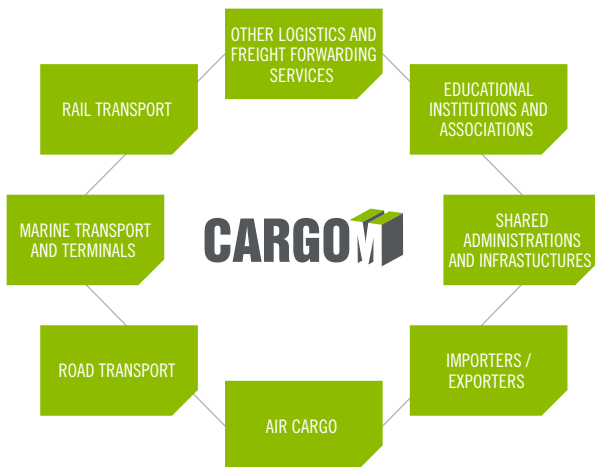

To influence the direction of our sector's projects and concerted actions through access to CargoM's working groups and committees;

To access a network of companies, contacts and services useful to your company's growth;

To have a voice with elected officials and defend the interests and projects that help develop our supply chain;

To be informed of the latest news in the sector;

To participate in our events free of charge: workshops, seminars, networking events, and more.

THE FOUR ACTIVE WORKING GROUPS IN ACTION

WORKING GROUP 1

SECTOR DEVELOPMENT OPPORTUNITIES

Improve the efficiency of transportation and logistics in Greater Montreal.

Identify the keys to success to attract new distribution centres and make Greater Montreal a recognized hub that is sought-after for its competitiveness.

WORKING GROUP 2

COMMUNICATION AND OUTREACH

Promote the advantages and economic benefits of the freight transport and logistics sector for Greater Montreal to governments, the general public and stakeholders.

Actively participate in the international outreach of the Cluster and Montreal's transport and logistics hub.

WORKING GROUP 3

INNOVATION AND FLUIDITY

Actively participate in committees to promote our industry and, as needed, create coordination committees.

Undertake complementary studies to support those underway and conduct specific pilot projects so as to measure their impact on Greater Montreal.

Adopt, share and integrate industry best practices and leading-edge technologies while meeting sustainable development objectives.

WORKING GROUP 4

WORKFORCE

Promote jobs and training in the sector to the next generation and adults seeking a new career by showing the opportunities offered by the industry and by highlighting retention policies to businesses.

Through hands-on and concerted actions, meet the urgent need for new talent in this sector by attracting new talent.
